

# Attila Kátai

## Web, WooCommerce & AI-assisted business app developer

Orosháza, Hungary · +36 30 232 6571 · katai86@gmail.com · https://kataiattila.hu
Fully remote; written, asynchronous communication preferred

## SUMMARY

Hungarian web developer and IT business owner with 20+ years of experience in IT, web development and digital marketing. I run **InfinX Kft.**, an EU company, so I can issue VAT invoices. I use AI-assisted development tools (Cursor) openly and am responsible for the final result.

## WORK EXPERIENCE

**Head of Cabinet** — Oct 2023 – Apr 2026
**Office of the Hungarian National Assembly, Budapest**
Office management, negotiation coordination, team building, graphic and campaign work; event organisation and execution of campaign processes.

**CEO – CTO** — Feb 2023
**Convryser s.r.o., Komárno**
Responsible for startup creation, investor search and team building; directed operating processes, strategy and business growth.

**Managing Director** — Aug 2022 – present
**InfinX Kft., Orosháza**
Full company operations, managing employees and day-to-day work, and ensuring the company's future and development.

**Self-employed (Kátai Attila E.V.)** — Oct 2014 – 2021
